

Hartlepool Diamond League 2025 Q&A

1. There are 8 meets throughout the summer. Do I have to attend all of them?
 - **No. You can register for as many as you would like.**
2. How does the point system work?
 - **There are 4 events available to get involved with at each meet. You will score points in each event you take part in. Points are split amongst each age group i.e. if a Y5 boy is the fastest in the sprint from the Y5&6 Boys category he will gain 10 Points, 2nd fastest gets 9 points etc. (40 points is maximum possible score at each meet)**
 - **At the final summer meet (24th August) we will total up your best 6 meet scores of the season to decide who is the overall trophy winner for each age category and gender! i.e. Y3&4 Boys Trophy, Y3&4 Girls Trophy..**
3. How about the medals?
 - **Everyone will receive a medal at their 1st meet of the season. Medals will also be given to the top 3 points scorers in each category at each meet. Example, the top scoring boy in Y7&8 category on the day will receive a gold medal, 2nd top scoring Y7&8 boy on the day will receive a silver medal and the 3rd top scoring Y7&8 boy on the day will receive bronze medal.**
4. My child is not very confident in one of the events what are their options?
 - **Don't worry! Our club coaches will be officiating all of the events at the meets and we will coach everyone through each event (nobody will get 0 scores in any event!). However, if you really do not want to do an individual event that is fine also but you would receive a 0 score for that event then.**
 -
5. Can we parents spectate?
 - **Yes. Parents can come and spectate from the surrounding grass hills of the athletics track at High Tunstall School. You can bring chairs, blankets and tents to set up for the afternoon**
6. How do I pay?
 - **Payment through the normal club account. Remember to check space availability with John (Head Coach) 07972734619.**
